

**OUR EXPERTISE TO HELP  
GUARD AGAINST  
INFECTIONS  
IN THE OR**

# SOLUTIONS FOR SURGICAL SITE INFECTIONS

O&M Halyard offers a comprehensive range of surgical solutions designed to help reduce surgical site infections ranging from **Surgical Drapes & Gowns**, **Face Masks** to **Sterilisation Wrap**.

## DEPEND ON HALYARD EXPERTISE TO HELP GUARD AGAINST INFECTIONS IN THE OR

When you choose HALYARD<sup>\*</sup> Surgical Gowns, Drapes & Packs, you can be assured that you are selecting products that use innovative fabric technology and design to provide excellent strike-through resistance along with comfort.

O&M Halyard is committed to providing quality products that help reduce the toll infections take on patients, clinicians and facilities, assisting you in delivering optimal patient care.

Because we are as serious as you are about preventing infection in the OR, we have expanded our surgical gown and drape portfolio into multiple performance levels, to bring you a wide choice of protection without compromise on quality.

The products referenced in this catalogue do not contain natural rubber latex, nor is this material intentionally added during the manufacturing process.

## ADVANCED PROTECTION THROUGH SUPERIOR SMS

Halyard offers an extensive portfolio of Surgical Gowns, Drapes and Sterilisation Wrap based upon the HALYARD<sup>\*</sup> SMS technology (Spunbond, Meltblown, Spunbond). SMS is made up of three layers of polypropylene:

- The Spunbond outer layers provide exceptional strength and durability
- The Meltblown middle layer provides an effective barrier to bacteria and liquids
- The material has a low lint level, helping reduce the risk of contamination in the OR

## A WIDE PORTFOLIO OF GOWNS AND DRAPES DESIGNED TO OFFER THE RIGHT PROTECTION FOR DIFFERENT PROCEDURES

### Cost-effective solution for standard performance & protection

- For short duration, low fluid-intensive procedures
- For low risk, day & general surgery (minor procedures)

### Basic Surgical Gowns

- HALYARD BASICS<sup>\*</sup> Standard gowns
- Standard SMS fabric

### HALYARD BASICS<sup>\*</sup> Surgical Drapes & Packs

- Flexible, easy-to-use designs
- Reinforcement

### Best-value for enhanced performance & protection

- For low-to-moderate fluid-intensive procedures
- For low-to-moderate risk, general surgery

### Standard Surgical Gowns

- EVOLUTION<sup>\*</sup> 4 Standard gowns
- ULTRA Standard gowns
- EVOLUTION<sup>\*</sup> 4 & ULTRA enhanced SMS fabric

### Standard Surgical Drapes & Packs

- Wide selection for hundreds of different procedures
- CONTROL<sup>\*</sup> Plus Reinforcement
